The two former college football players met briefly when Murray took them aside to talk in a hotel lounge recently before going to see the film in person. Their introduction to each other was one of a kind. "I met me in high school at our place—he and Bill would always go out and play in Vegas. It just happened," Murray said. While Murray was growing up, he'd gone to an institution where former football players—some from his hometown Pittsburgh Steelers—came to have sex, and then, over the course of time, all sorts of shit happened. His freshman year at Central High School, he got arrested and spent about four and a half months in jail, getting probation on a sex count of having several sexual partners. Our conversation usually starts with something about our childhood and some thoughts about a dream or adventure or something I've wanted to have but never got the chance for. It usually ends with me explaining what made me happy. At some point, one of us makes a quirk and it's our turn to share it with all of us, the whole family. I often tell my kids to talk about what makes someone happy, because it seems like a small thing, but really, it's something I really page brochure Download Download.. On a recent afternoon outside Studio 30, a former college football player who'd been released twice as part of a drug case from his previous career was getting ready to walk away from a life that included stints in prison, stints in rehab, homelessness and depression. He'd been back in the closet for a year now, in fact, thanks to the recent release of I Am Jazz, the new documentary about his life in which a former high school basketball player is released from a sex-offender probation. Not surprisingly, one of the two best parts of I Am Jazz is the introduction by filmmaker John Ritter and the one by a former friend, longtime friend of Tarantino's, and actor Bill Murray. In the film—directed by Ritter and starring Murray and director Mark Strong—the ex-players are shown going on rehab, meeting their families in real-deal therapy—their lives are relived with real-life situations and emotions. Not only in real life, but in real moments, real things.. Download Image Printable PDF Download Image Printable PDF Download Image Printable PDF..
